Celebrating Fall

Fall in North Carolina is a gorgeous display of color and seasonal harvests.

As the Central Carolina Jaycees move into the fall season, I hope each member will think about how our chapter can create projects and opportunities that tap into the best of the season, whether that's by making the Pumpkin Festival a success, thinking of fun Halloween ideas, or preparing for the winter holidays.

Every member of our group — whether we see you once a year or once a month — is a valuable asset to our team. Please use the season to show your best colors!

~ **Shannon Shuey, President**

Summer Snapshot: *Apple orchard*

Shannon, Amber, Kelly, Laura, and Abbey brought their families to the Millstone Creek Orchard in Ramseur to pick apples, sip cider, and enjoy each other's company. See more pictures from the day on our Flickr page.

Hut Clean Up Day

What a MESS! The Central Carolina Jaycees and **Lifeline Recovery Mission** teamed up to clean up the hut on September 5th.

The filthy tiles and moldy ceiling were removed and new tiles put in their place. We sealed most of the wall cracks and put on a coat of paint. We still need to add another coat (or two) to front walls and finish up the back walls. We also need to replace sheetrock on the back wall. Our last challenge will be refinishing the floor.

Please join us for the next hut clean up day on **October 18th** at 1:00 at the Hut. We desperately need all hands on deck so that we can get the Hut ready in time for our Haunted Bash Halloween Party (Fri. October 30)!

3rd Annual Food Drive

Our 3rd Annual Food Drive was a resounding success despite a struggling economy and increasing unemployment.

On October 3rd, we collected 60 bags of non-perishable food from Sanford area neighborhoods to share with Lifeline Recovery Mission. As always, the folks there were surprised and humbled by the community's generosity. Thanks to all who helped!
